It is a good thing to give Thanks unto the Lord and to sing praises to His Name. Preparing our heart prior to arriving at church is so needful if we want to have the encounters with the Holy Spirit that we have been having. There is nothing that can compare with the Presence of a Holy God. I hunger and thirst after those encounters and they are such a rarity in many of the churches today. As long as we keep our hearts pure and free from offense, we will continue to have those SPECIAL encounters that has manifested recently. As James 4:8 states, "Draw nigh to Me and I'll draw nigh to you. And God is faithful to His Word!
