We are delighted to see New Families enter into our doors and become a part of our growing family. It is exciting to see new families enter in each week and are being drawn back by the Holy Spirit. This is something that we can never take for granted as we continue in this walk and vision that the Lord has placed before us. We have to guard with every fiber of our being this precious gift that God has blessed us with and never take for granted that it will always be this way! What God has blessed us with is valuable and Holy. Guard it because it can be removed the moment we stop walking in UNITY!
