The thought of God living on the inside of us is such a phenomenal revelation that at times I do not think we realize the implications of this Spiritual Truth. We go about our daily lives, looking at things that we would not look at if we really thought about the King of Glory is observing this also. The programs on TV, the books and magazines that we read, and the things we listen to thinking...well NO ONE WILL KNOW! And all the time the God in you is observing and looking at the items that is being observed by His child. Would you allow your children to look at and observe the same things that you are allowing? *Colossians 1:27 (GW) God wanted His people throughout the world to know the glorious riches of this mystery—which is Christ living in you, giving you the hope of glory.*
