Our Father totally amazes me! It seems that when I think I have things figured out He just brings in a blessing that is so amazing that it seems as though your head is spinning! Oh, the Greatness of our God Who loves us and continues to do Exceedingly Above ANYTHING that we could as or think. Too often we get discouraged when we can't see things coming to pass in our time frame, but God is always on time and He will complete what He starts, if we will keep the switch of faith on. He will do it every time!
