I don't know about you, but it seems as though the Lord is consistently challenging me about what is coming out of my mouth. This is a subject that is carried out in the Old Testament and the New Testament and yet we will allow our Mouth to be in gear while our brain is in neutral. If it wasn't important God would not have had as much to say about it as He did. So often we quote Proverbs 18:21, Death and Life is in the power of the tongue, And then we wonder why we have things coming upon us that seem to come from nowhere! Check out what has been coming out of your mouth and change your way of speaking. The book of James, Proverbs and Lamentations has quite a bit for you to ponder on. Check it out! Selah! (Stop and meditate on this!)
