

We are so thankful to have you join us today as we take time to worship the King of kings and Lord of lords. We are a family here, and welcome and love you as part of the family. We have many activities for each one to be a part of if they desire. We are very active in going into the highways and hedges and compelling them to come in because we realize that our time is short to reap the harvest. If we can be of service to you in any way, please feel free to ask. May God Bless you!
