It seems as though every way we turn that Satan is doing what he does best: stealing, killing, and destroying. He is the orchestrator of many schemes to get you upset and questioning God and doubting God's Word. He has no new strategies that he can use so his tactics are the same ones that he used in the Garden with Adam and Eve. Stop listening to his lies and fill your mind with the Word of God which is able to save your soul. {your thought life}. James 1:21
