

As we come upon Thanksgiving and the coming holidays, we have so much to be thankful for. We have freedoms that few people in this world have and to think that God orchestrated where we would be born and live in our lifetime. It wasn't just by chance that we are Acts 17:24 (PassionNTPsa) "The true God is the Creator of all things. He is the owner and Lord of the heavenly realm and the earthly realm, and he doesn't live in man-made temples. He supplies life and breath and all things to every living being. He doesn't lack a thing that we mortals could supply for him, for he has all things and everything he needs. From one man, Adam, he made every man and woman and every race of humanity, and he spread us over all the earth. He sets the boundaries of people and nations, determining their appointed times in history. He has done this so that every person would long for God, feel their way to him, and find him—for he is the God who is easy to discover! It is through him that we live and function and have our identity; just as your own poets have said, 'Our lineage comes from him.'
