

November 17, 2024

We are so Thankful as we look around and see the answers that we have had regarding our prayers. We have a faithful God Who has said to us *Jeremiah 33:3 (AMP)* Call to Me and I will answer you and show you great and mighty things, fenced in and hidden, which you do not know (do not distinguish and recognize, have knowledge of and understand). We can see the answers to our prayers as we look around and see "Look What the Lord has Done!"

November is the month that we celebrate the Holiday of Thanksgiving. Being thankful should not be tied to just one month out of the year. It should be an ongoing product of our lives because we have so many things that we are grateful for. Our health, our families, prosperity.....and so often when someone mentions prosperity your mind automatically goes to finances, but prosperity is so much more than money. You can have all the money that you need, but if your body is riddled with disease, you are NOT prosperous. You would give ALL that money to be in health but unfortunately money can't buy health. But Jesus CAN and He Did!
