As we come into this special time of year we are overcome with gratefulness to our Lord and Savior for paying the price for our salvation and taking away the guilt and the shame of our mistakes, wrongdoings, stupidity on many occasions, and yet He still loves us. How can we say we love Him Whom we can't see and ignore and disrespect those we can see? Good question, there are areas that He is still working on in each one and there is not one perfect except for Jesus Christ and we are NOT Him although we are created in His image, after His likeness we still have a way to go. Buckle up for the ride, and begin to expect Mighty things from the Greater One Who lives on the inside of you. Selah!
