Welcome to The Oasis it is an honor to have you come and worship with us today. The days are short before we see our Lord and Savior Jesus Christ. We are watching the unfolding of the Word of God at such a rapid pace it really challenges your thinking. We hear individuals say quite frequently that they have heard of Jesus' return all their life, so have I: but I have never seen the signs that has been prophesied coming to pass as they are at the present time. Peter writes in 2 Peter 3:3-4 (MSG) *First off, you need to know that in the last days, mockers are going to have a heyday. Reducing everything to the level of their puny feelings, "they'll mock, "So what's happened to the promise of his coming? Our ancestors are dead and buried, and everything's going on just as it has from the first day of creation. Nothing's changed."* Not only do we need to make ourselves ready, but we need to share with family and friends that the DAY is quickly approaching!
