GREETERS

I was meditating this morning regarding those that we admire and see traits that we would like to be like someone else. But we are a unique individual created by God alone and He has made us into His image and our striving should be to be more like the Master than another flawed individual. In Psalm 139:14 states "I will praise You for I am fearfully and wonderfully made!" When you were created the mold was thrown away and each of us with our talents and ideas are unique only to us. Give praise during this season to the One Who created YOU! Unique, separated, different and striving to be more like Jesus each day. Praise HIM for Who you are.
