OH! Taste and see that the Lord is Good! Blessed is the man that trusts in Him! We have seen the faithfulness of God in the past few weeks and regardless of how difficult it has been we can see the blessings that He has given to us over the past few weeks! Oh Yes, we gripe and complain about No electricity, the prices of everything and so much more. But we have been blessed when you look at the devastation and lives lost in other areas of our country, we DO NOT have any right to complain. We should be on our knees thanking God for His protection over us and our families. Regardless of what we have suffered it is minute to what others are dealing with. So, let's take time to taste (discern, perceive, and evaluate) that God is GOOD! Complaining is what kept the children of Israel from their Promised Land!
