Attendance

- Regular attendance is important for development, as is consistent practice at home.
- Lessons are scheduled for 30, 45, or 60 minute sessions.
- If you need to cancel a lesson, you must do so at least 24 hours in advance.
- **Missed lessons must still be paid for, if advance notice is not given.**
- Regular weekly time slots will be granted to dedicated students. Flexible scheduling is available during the summer.
- Snow days do not automatically mean that afternoon and evening lessons are canceled. Please call or text if you are unsure, but in general, lessons will be held.

Tuition

- Payment is due on the same day as the lesson, and may be:
 - cash (preferred)
 - check (to Kristin Nelson)
 - Venmo (@KrisMarie12)
- Lesson rates are \$30 (30 minutes), \$40 (45 minutes), and \$50 (60 minutes).

Responsibility

- Students should come prepared with their flute, their music, and a pencil.
- Books and sheet music will be purchased by students; all can be found online.
- Daily practice at home is encouraged! In as little as 15 minutes a day, you can improve your technique, sound, and performance. Private instruction is a commitment made by you and your family – make the most of it!
