Work Experience: 1997 – 2025 Freelance Line Producer
Line Producing commercials, music videos, branded content, and short films.

2018- 2020 Head of Production for Sister Studios at Mekanism in San Francisco:
From June of 2018 through December of 2020, I worked as HOP for Mekanism's internal production, company overseeing commercials and other branded content for every client Mekanism represented. Working at times as a third party production company vendor for Mek's clients, to Mek's internal production company, to assuming the role of agency producer on projects, to producing spots and branded content for clients outside of Mekanism that we at Sister Studios found independently.
