

To receive the entry fee reimbursement* you must be a member of the HMRF (any member of a competition team is a member of the foundation). Only events above the USSA Events beyond qualifier series: (See Web site)

*It is the policy of HMCF to not consider grants for children under the age of 11 due to intense competitive pressures and the likelihood of athlete burnout. Athletes over the age of 30 will not receive grants as the Board feels that the HMCF is in place to support developing athletes.

Completed Form and receipts must be submitted to:
