Thank you for your interest in Hamachi Catering. At Hamachi Sushi Bar, we believe that the art of sushi has three components: taste, presentation and a lasting impression. Our chefs prepare every platter to excite both your sight and taste. The culinary options and platter pricing at Hamachi are suitable for all your catering needs, from Bar/Bat Mitzvahs to corporate events to intimate family get-togethers.

### Please Keep in Mind:

Basic rolls have 8 pieces each; Signature rolls have 10 pieces each. If the sushi is being served as the main dish at your event, we recommend about one roll per person (8-10 pieces); if it's an appetizer, we recommend one roll for every two people (3-4 pieces). However, these are only estimations, and you should calculate how much *you* think your guests will eat.

The prices on our catering menu are calculated with **an automatic loyalty discount** and do not include tax. Each platter is accompanied by its price.

The chefs of Hamachi can create a beautiful platter out of five or more dishes from our regular menu. To take advantage of the loyalty discount for catering orders not featured in the look book, the minimum amount is \$500 before tax. This discount can't be combined with other offers and there are **no substitutions** for look book platters.

We look forward to hearing from you and  
wish you the best of luck at your event!
