OUR SCHEDULE

No matter which day your lesson is on, you will have received 36 lessons at the end of 9 months. Some months have 3 lessons, but others have 5, therefore; you will average 4 lessons a month. Tuition rates are the same each month, regardless of the number of lessons received. (May's tuition is used for pictures, stage practice, dress rehearsals and recitals.) The Studio Calendar on the preceding page shows all Holidays when lessons will not be held. Please keep this calendar handy so you are aware of the class schedule.

REGISTRATION

A non-refundable fee of \$30 per student (to a maximum of 2 per family) is required yearly at the time of registration. The registration fee covers administrative expenses and is paid by all students.

PAYMENT OF FEES

We offer an auto-withdrawal from your bank account for your monthly tuition payments. At your first class in September, you will remit payment for September tuition, fill out the necessary auto-withdrawal forms (including a voided check) and your auto-withdrawal will begin on October 5th.

Tuition can be paid monthly by check, money order, cash, or online through CheddarUp. Payment must be received by the 7th of the month or you are charged a \$15 late fee. We do not always have a secretary in the office, so please put the exact amount of your tuition in an envelope. Put your child's name on the front of the envelope and place the envelope inside our drop boxes. You can also mail your payment to us, but remember we must receive it by the 7th.

All non-sufficient funds checks or auto-withdrawal returns will be charged a \$30 fee, per return. If any account becomes three months past due, your child may no longer participate in class until the account is current.

FAMILY DISCOUNT

We offer a \$4.00 discount for each additional family member or each additional 1 - hour class taken (\$2.00 discount for ½ hour class).

DISCONTINUING CLASSES AND REFUNDS

Withdrawal from classes must be done by the parent in person or over the phone. After speaking with your child's teacher, your auto-withdrawal account will be terminated. HardCor Performing Arts reserves the right to terminate lessons to any student without notice. In such a case, a refund for unused lessons will be given.

PARENT RESPONSIBILITIES

Parents are welcomed and encouraged to attend classes to observe their child's progress, especially children under the age of seven. Taking notes or use of video is highly recommended in the dance room. We expect your courtesy to keep talking to a minimum. The outer lobby, with large viewing windows, is provided for those of you with small children so classes are not interrupted. Our studio is unique in this program of parental participation. We feel it greatly benefits your child's dance or tumbling education.

CLASS PROGRESS

Another unique feature at our dance studio is the way we set up our classes. Students are grouped according to age, skill, practicing habits, and attendance. If we feel a student isn't keeping up, or could progress faster, we will move them to another class. We are always re-evaluating our classes and making improvements. We ask that you try a class for at least a month before consulting your teacher about moving to a new class.

ATTENDANCE

Attendance records are kept each year. Regular attendance is a must if you are to benefit the most from your training. Each student is important to the progress of the whole class. Interest is kept when there is progress and development. Irregular attendance slows both. If your child is going to be absent, please call the office or inform your teacher the week prior. If you are absent from a dance lesson, you are responsible at the next lesson for knowing the steps taught in the class you missed. Consult a friend, or come early to find someone to help you.

PRIVATE LESSONS

Private lessons will be given only to students interested in entering dance competitions and talent shows. This is for the serious student willing to put forth the extra time and energy into practicing, not to mention the traveling expenses and entry fees. Talk to Cory if interested.

CARE OF STUDENTS

HardCor Performing Arts is not responsible for providing before or after class care for students. Students are not to be left at the studio for excessive amounts of time.

BAD WEATHER

When bad weather develops, all cancellations will be posted on our Instagram, Facebook, and website (www.hardcorperformingarts.com). Sometimes we are unaware of road conditions outside of the Denison area. If you feel driving is unsafe, please call to advise us of the weather in your area. If you are not coming due to weather, please let us know. Any classes canceled due to bad weather will be rescheduled and made up. If school has been cancelled or let out early, do not assume there will not be classes.

RECITAL

Your teacher will order one ready-made costume through the studio. Price range will vary from \$70-\$100 a costume. Although the recital is not until May, we will order costumes in December. Complete payment for the costumes will be due at this time. You may wish to keep this in mind as you plan your budget, as we realize December can be a tough month financially. Tuition and other fees on your account must be paid first before any payment can be applied to costume fees.

Recital dates for 2027 are the weekend of May 28th-31st. Please keep these dates in mind when you plan your summer vacations.

COMPETITION FEES

If your child is in a competition dance class, entry fees are generally due a month ahead of the competition date. These must be paid before we send the entries. Your teacher will advise you of all payment due dates. Tuition and other fees on your account must be paid first before any payment can be applied to competition fees.

INJURIES

Parents, legal guardians of minor students, and adult students waive the right to any legal action for any injury sustained on studio property resulting from normal dance or tumbling activity or any other activity conducted by the students before, during, or after class time.

Dear Parents and Students,

On behalf of everyone at HardCor Performing Arts, we want to take this opportunity to extended a heartfelt “Welcome” to each of you! Whether you are a returning family or this is your first year with us, we are pleased that you have selected our studio and know you will have an exciting year with us.

We are feeling “On Cloud Nine” as we head into our Ninth Season! Seeing the growth our students make each season brings us joy that words cannot explain. Our end of the year recital is our favorite event each season and we look forward to seeing all of our student’s hard work and dedication come to life on stage. We plan to continue with our split format for recitals (Children’s Recital and Big Show). Both shows will take place over Memorial Day weekend in May of 2027 this season. Another reason we are feeling “On Cloud Nine” is because of the success our competitive teams continue to have each season. HardCor Performing Arts was named the “Top Studio” at three of our competitions in Season 8 and continued to receive top honors, including Grand National Champions! None of this success would be possible without our supportive and loyal dance families. We look forward to creating more memories with our HardCor Family this season, as we continue to feel “On Cloud Nine”.

We will be holding registration at the studio **August 11th and 12th from 2:00-8:00 p.m.** This is a great opportunity for our staff to meet your dancers and tumblers and answer any questions you may have. If you have trained elsewhere, we will set up an evaluation to see your child’s dance or tumbling ability, so that we may place them at the proper class level. You can register your child either ONLINE or by filling out the registration forms. Both of these options are available on our website, **www.hardcorperformingarts.com**. You can mail your forms along with your registration fee (\$30 per student, to a maximum of two per family) to: HardCor Performing Arts, 2605 4th Avenue South, Denison, IA 51442.

For your convenience, we stock new dance shoes. We also offer you the opportunity to buy or sell used shoes at half price during the registration season. Our “shoe evenings” will be **August 11th and 12th from 2:00-8:00 p.m.** You may bring in any used shoes you wish to sell on any of these days. Please have your shoes marked with your child’s name and size on the inside sole of each shoe. We will not accept any shoes that are worn out, painted, or damaged in any way that will hinder dancing ability. If you are unable to come in for shoes on the above dates, a “last chance” shoe night will be held on **August 24th from 5:00-7:00 p.m.** We would like all dancers to have their shoes before classes begin.

Please feel free to call (712-263-6677) or email (hardcorperformingarts@gmail.com) with any questions you may have. All of our teachers and staff are looking forward to a great year and cannot wait to see you all soon. Classes begin September 13th!
