Mayor Jaynes reminded the board that the funds for the LGAP grant were cut back to \$10,000 and that the CWF grant would remain \$25,000, so it may take some time to come up with the funds to have the new water meters installed.

She informed the board that the fraudulent attempts on the bank account had been handled and that there was also an attempt made on the town credit card. She is currently waiting to receive the new card in the mail. Since the new card has not arrived, Mayor Jaynes has sought council and received approval from the CPA to use her personal card to purchase items and receive reimbursement with all appropriate documentation provided.

Alderman Carnley made a motion to adjourn at 6:45pm, seconded by Alderman Banks. All in favor, motion carried.
