Sports Booster Membership

The Concord Sports Boosters Club supports all sports in the Concord High School athletics program. Fundraising proceeds go toward the purchase of team equipment, activities, uniforms, awards, etc, and occasionally to express our thanks for the many extra efforts of our fine coaches.

If you are able, please consider donating and contributing to the success of Concord High School Sports— as measured by the growth, development and joy seen in our Concord Strong student-athletes and all of us who support them! If you own or know a business that may donate, contact the board for details.
