In order to keep everyone safe and healthy, attendees are asked to wear a mask or facial covering and maintain six feet or more of distance between individuals not in their immediate household.

If attendees are sick, exhibiting COVID-19 symptoms, or have recently been exposed to someone who tested positive for COVID-19, we ask them to stay home.

While the concerts this year are free, attendees must have a ticket to attend. Tickets are available through Eventbrite and online at townofbennett.colorado.gov or mayfarms.com.

These concerts would not be possible without our generous sponsors:
