

Bennett Arts Council &
Unincorporated Arapahoe County
Economic Development (UACED)

Dear Business Owner:

Our organizations are excited to announce the 2022 Eastern Plains Summer Concert Series!

We are *thrilled to expand our 2022 concert series program to include a 1-Day Motorcycle Rally*, three concerts at Trupp Park in Bennett, Colorado and three concerts including a 1-Day Motorcycle Rally at May Farms in Byers, Colorado during the months of June, July, August. These events are open to the public, free of cost, and are very popular with our I-70 Corridor residents and neighboring communities.

The I-70 Corridor Chamber of Commerce has joined our organizations in producing the 1-Day Motorcycle Rally, which will be held in August of this year.

It is only with the assistance of businesses like yours that we can offer these special summer concerts free of charge to our residents, your customers.

Sponsorship opportunities are outlined on the attached sheet and range from our Andante Sponsor for \$500 to our Allegretto Sponsor for \$2,000. Your tax-deductible gift as a 2022 Summer Concert Series & 1-Day Motorcycle Rally sponsor will allow you not only to give to the community but also offers a great advertising opportunity for your business.

The 2022 Eastern Plains Summer Concert Series and 1-Day Motorcycle Rally will be enjoyed by all ages and greatly appreciated by the community. We know you will agree that by becoming a sponsor, your business will receive unequalled advertising, recognition, and promotion combined with Community involvement.

We sincerely appreciate your support and participation! Feel free to contact us if you have any questions or comments. We look forward to hearing from you soon.

Sincerely,

Steve King/Bennett Arts Council Coordinator
