

ATTENTION RIDGEVIEW RESIDENTS –

The Highway Department is continuing the work on Violet Drive. The milling should be completed by October 7th with cleanup and sweeping October 8th. Leveling course paving is planned for October 9th. The Sewer Department will be working on manholes the beginning of next week beginning October 12th and final paving to follow likely the middle of the week. During this time Violet Drive will be close to ALL traffic and street parking between Valley Green Road and Hilltop Drive.

Thank you for your patience and cooperation.
