

ATTENTION RIDGEVIEW RESIDENTS –

The Highway Department is scheduled to begin milling and paving for asphalt base repair on Violet Drive **Monday, September 28 through Wednesday, September 30**. During this time Violet Drive will be closed to ALL traffic and street parking between Valley Green Road and Hilltop Drive.

Following this phase of the project, a temporary closure will be in place daily during the daytime hours to allow for curb-line milling and preparation for a full-length asphalt overlay of Violet Drive.

Thank you for your patience and cooperation.
