Date Effective: July 1, 2026

Re: BURN BAN NOTICE

By joint determination of the Newberry Township Fire Department and the Township Manager, and by order of Newberry Township, a burn ban is hereby effective immediately throughout Newberry Township for a period of thirty (30) days, through July 31, 2026, unless lifted earlier or extended by further action.

Pursuant to the Newberry Township Open Burning Ordinance, a "burning ban" is a period of time when all burning, other than burning for the purpose of preparing food in grills or smoker grills, is prohibited.

Due to dry weather conditions and the increased risk of fire spread, all outdoor burning otherwise permitted under Chapter 164, Burning, Open, is prohibited until further notice, except for cooking in grills or smoker grills as permitted by the ordinance. This matter will be re-evaluated at the conclusion of the thirty (30) day period.

Respectfully,

Newberry Township

Aaron Schwartz
Township Manager

Respectfully,

Newberry Township

Kyle Harbold
Fire Chief
