The Newberry Township Board of Supervisors provides this list of licensed pumpers/haulers solely to inform residents of the persons or firms who have been licensed to perform their services within Newberry Township. Licensing is simply designed to ensure that there will be proper disposal by the licensee of the pumped effluent under the provisions of Ordinance #265. The providing of this list does not constitute an endorsement of any pumper/hauler on the list, nor does it constitute a warranty or certification of services to be provided or fees to be charged. These matters are to be determined between the resident and the pumper/hauler chosen by the resident.
