**Statutory Fees:** If a separate statute authorizes an agency to charge a set amount for a certain type of record, the agency may charge no more than the statutory amount.

**Inspection of Redacted Records:** If a requester wishes to inspect rather than receive a copy of a record and the record contains both public and non-public information the township shall redact the non-public information. The township will charge for the copies it must make of the redacted material in order for the requester to view the record. If the requester decides to retain the copies no additional fee will be charged.

**Enhanced electronic access:** When possible, Township may offer electronic access to public records in addition to making the public records accessible for inspection and duplication by a requester as required by this act, the township may establish user fees specifically for the provision of the enhanced electronic access, but only to the extent

that the enhanced electronic access is in addition to making the public records accessible for inspection and duplication by a requester as required by this act. The user fees for enhanced electronic access may be a flat rate, a subscription fee for a period of time, a per-transaction fee, a fee based on the cumulative time of system access or any other reasonable method and any combination thereof.

**Limitations:** Except as otherwise provided by statute, no other fees may be imposed unless the township necessarily incurs costs for complying with the request, and such fees must be reasonable. No fee may be imposed for an township's review of a record to determine whether the record is a public record subject to access in accordance with this act.

**Pre-payment:** Township will require a requester to prepay an estimate of the fees authorized under this section if the fees required to fulfill the request are expected to exceed \$100. If prepayment is necessary a certified check or money order shall be made payable to the Township in the total amount of the estimated fees.
