Discuss Music in the Park Event Scheduled for September 20th

A discussion was held regarding the financial implications of hiring a band for the upcoming event. Members reviewed the total estimated cost and expressed concern about fitting it within the current budget. To offset the expense, the Committee explored the idea of seeking sponsorship. Suggestions included reaching out to local businesses, community organizations, and past sponsors to cover part or all the band's cost. It was agreed that having one primary sponsor or multiple smaller sponsors could be a viable solution.

A discussion took place regarding the possibility of the event proceeding without a sponsor. It was acknowledged that no sponsor has been secured at this time. The question was raised whether the event should be cancelled in the absence of sponsorship.
