FLOODPLAIN

Is the site located within an identified flood hazard area?	Yes	No	
Will any portion of the flood hazard area be developed?	Yes	No	N/A
Owner/Agent shall verify that any proposed construction a with the requirements of the National Flood Insurance Pro Plain Management Act (Act 166-1978), specifically Section Lower	gram and the	Pennsylvania	-

The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and <u>PA Act 45 (Uniform Construction Code)</u> and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, easements, rights-of-way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Municipality or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinaces and regulations.

Application for a permit shall be made by the owner or lessee of the building or structure, or agent of either, or by the registered design professional employed in connection with the proposed work.

I hereby certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.

Signature	Date

Important – All applicants must submit a brief description of the proposed work. For new buildings and additions, the applicant must also submit a <u>PLOT DIAGRAM</u> drawn to scale showing the proposed work, existing structures on site, distances from property lines, established street grades, driveway locations, exact location of proposed work, and <u>THREE (3) COPIES OF PLANS & SPECIFICATIONS</u> drawn to scale. The plan reviewer may require more information.
