

# NOTICE TO RESIDENTS

## NEWBERRY TOWNSHIP

### ROAD CLOSURES

CARTREF RD (Red Mill Rd – Pines Rd)

**Tentative : Wednesday JUNE 5th**

Road Closure of **Cartref Rd** – PARKING ON STREET PROHIBITED

This section of road is scheduled to be reconstructed using the Full Depth Reclamation process with a Portland Cement additive. Our crew will work from 7:00 AM to 6:00 PM. During the duration of construction we will post ROAD CLOSED. These road closures are intended for the traveling public and residents who live on the section of roadway being constructed. We ask you take extra caution around our parked equipment and to our road crew while driving during construction. Please avoid driving through the cement and having to be on the road if possible.

We expect to have the cement treated base course completed in 2-3 days weather permitting. This roadway will then be paved with a hot mix asphalt binder and wearing course after approximately a 7 day curing period.

Thank you for your anticipated cooperation.
