**OLD BUSINESS**

**Design and Planning Discussion with Lobar and Pennoni**

Bill Rudy from Pennoni spoke with Brent Zeiders about the lateral and grinder pump for the new building that will be needed for sewer. A new waterline would need to be discussed with the water company. Logistics of having the sewer line ran to the medical center was discussed and Brent Zeiders will investigate it. The walkways and curb stops were discussed around the parking spots. The electric running for future electric cars was discussed on how it would be running to the vehicles. The location of a dumpster and dumpster pad was discussed. Discussion of the size of the propane tanks were discussed due to the generators. HVAC equipment in the new building including the bays was talked about. Lobar discussed the different options to run the duct work through the building.

**Public Comment**
