Dear Tony,

General Code has been hard at work making improvements to our *eCode360* platform. We wanted to let you know that **these changes will go live on all *eCode360* accounts the week of April 22, 2024.**

The changes include a refreshed modern look and a new customizable home page, which can quickly direct constituents to the answers they seek. Other changes will be evident in terms of overall performance thanks to our continued commitment to incorporating the most current technology solutions that will enhance speed, functionality, and responsiveness across the *eCode360* platform.

To help you and your constituents acclimate to the new *eCode360* interface, we've included a quick start guide. If you would like to send it to others or print more copies, a PDF copy can be found at [bit.ly/newecodeguide](http://bit.ly/newecodeguide). Stay tuned for more communications from General Code via email closer to the launch, including opportunities to attend helpful webinars. In the meantime, for questions and further assistance, please contact our Customer Care Team at 800.836.8834 or [eCodeHelp@generalcode.com](mailto:eCodeHelp@generalcode.com). We're happy to help!

Thank you for being a valued *eCode360* customer.

Best regards,
