

Competitive Computing Consultants Inc.
Partner Training Services

Abstract

Meeting your Business Training needs

COMPETITIVE COMPUTING CONSULTANTS INC.

Partner Services

Competitive Computing Consultants Inc. provides Partner Training Services through our affiliate program and strategic partnerships with training companies that deliver specialized subject matter related to:

All brokered partner training services are delivered by industry leaders in their field(s). We are pleased to offer our brokered partner's courses starting at **\$2,999.99** per employee/student (volume discounts may apply).

Affiliates

Competitive Computing Consultants Inc. has also established relationships with other training providers that want to sell our **"Service Delivery Management Framework"**.

Our Affiliate model is simple and straightforward, the Partner manages their client(s) and we deliver our training on their behalf.
