

Diversity and Equality Policy

Policy Statement

At GDF we are committed to the ongoing development of a sustainable and profitable business. A key element of this is the development of a diverse workforce operating at all levels of the business. A positive attitude to diversity, equality and inclusion is part of our ethos.

We believe that it is important that the composition of our workforce is representative of the community in which we do business. We will rise to the challenge of making the company a place where diversity of background and thinking is both welcomed and valued, making reasonable adjustments where required.

In line with the Equality Act 2010 and the Public Sector Equality Duty (2011), the organisation will not tolerate discrimination on any of the following grounds:

- by treating an individual on grounds of age, disability, gender reassignment, marriage and civil partnerships, pregnancy and maternity, race, religion or belief, sex and sexual orientation;
- by expecting an individual on the above grounds to comply with requirements for any reason whatsoever related to their employment, which are different to the requirements for others;
- by victimisation of an employee;
- by harassment of an employee;
- by imposing work that is more onerous on one employee or student than on others; or
- by any other act, or omission of an act, which has as its effect the disadvantaging of an employee or student against another, or others, purely on the above grounds.

It is the policy of the organisation to ensure that entry into the organisation is determined solely by the application of objective criteria and individual merit. Equality will be accorded to applicants and employees without regard to gender, gender reassignment, sexual orientation, religion, colour, marital status, disability, age, race, nationality or ethnic or national origin, or membership or non-membership of a trade union.

Responsibilities

This Diversity and Equality Policy is led by the company's Senior Management Team. The HR Director will be responsible for the implementation of the Policy and will formally review it at least once a year. As part of this Diversity and Equality policy every company employee has the following responsibilities:

- Familiarise themselves with this policy and undertake any training provided by the company, focused on increasing their awareness of diversity, equality and inclusion
- To treat everyone with respect and courtesy, whether a colleague or external contact
- To not make comments, or take actions, that could be perceived as discriminatory, harassing, victimising, bullying, or disrespectful even if they are not made with that intention. For example, banter with a colleague that is not seen by that colleague as unwelcome, but could be offensive to an observer.
- To respectfully challenge colleagues, and other people at work, whose behaviour could be seen as unwelcome or unacceptable, whether to themselves or to someone else.
- To co-operate with management in eliminating any discriminatory practices that may be identified at a department or operating unit level.
- To feel able to instigate a complaint under the company's grievance procedure, if an employee believes he or she has received less favourable treatment due to a personal characteristic.

In addition, any employee who has line management responsibility in the company must also identify and deal with any instances of unfair treatment within their areas of responsibility quickly and sensitively, in accordance with existing disciplinary procedures and notify their senior manager and HR Director.

Review

This policy will be reviewed on an annual basis as a minimum. Next review date 01.09.2026
