

**WOMEN
PROFESSIONALS
IN GOVERNMENT**

www.wpghouston.org

May 8, 2024

Greetings!

Women Professionals in Government (WPG) is a 501(c)(3) that is committed to upholding its manifold mission. WPG has been a leader in advocating for women in government and public policy. We provide networking opportunities, scholarships, and grants to agencies serving women and children. Today, our membership consists of county and city government employees, current and former elected officials, and companies associated with government agencies.

Each year, WPG hosts an annual fundraising event which we refer to as our Summer Social. The event will be held on **Thursday, June 6, 2024**, at an exclusive location. The event is designed to help raise money for our scholarship funds, our community service grants, and our operating budget.

As the current Summer Social Chair, I invite you to serve as a sponsor for this event. Your sponsorship will help to continue providing scholarships to worthy women and much needed community programs to both women and children in Harris County. WPG has already awarded tens of thousands of dollars in scholarships and grants. Additionally, WPG has donated generously to small grassroots organizations and many other worthy area non-profits, such as Dress for Success and Undies for Everyone that may not typically attract large scale funding but are consistently supported by WPG. Your investment in WPG would provide much needed resources in the community.

We would be honored if you would be a sponsor of this year's event at any of the levels listed on the attached sponsorship form. All sponsorships are tax deductible. I welcome the opportunity to speak with you further about this event and address any questions or concerns you might have. We look forward to working with you.
