Signals & Cyber Technologies LLC

CAGE Code: 73TF9 | DUNS: 079308612

Cornerstone Signals & Cyber Technologies LLC (Cornerstone) is a third-party certified Economically Disadvantaged Woman-Owned and Service Disabled Veteran-Owned Small Business headquartered in Christoval, Texas. Cornerstone's founders are former military members with extensive backgrounds in Intelligence, Surveillance, and Reconnaissance (ISR) Operations and Engineering, Space Control, and Education and Training.

About Us

Our Mission

Dedicated to delivering effective, efficient, and economical solutions to Federal, Civilian, and Industry partners with integrity and accountability, using both proven and innovative methods.

Our Vision

Be the Partner of Choice for Federal and Corporate Intelligence and Cyber Customers

Our Values

Support and Develop employees, both technically and professionally. Give honest service to the United States and the American Tax Payer. Support our local communities

Why We're the Best

Talent, Talent, Talent. Our hiring and retention of skilled people is the Key! We are proud of our employee benefits and incentive programs. Our 2018 employee retention rate exceeds 95%, providing continuity across our contracts ensuring customer satisfaction. Our people are our most valuable asset, and we understand that being at the forefront of professional development is vital to our success. One of our strategic priorities is to attract, develop, and retain the best people in the community.

Speed and Agility to make decisions and respond to the customer. We serve dynamic, growing organizations that are on the move because we too are a dynamic, growing firm on the move. Our firm is structured to react quickly to our clients' needs and issues. We are empowered to make decisions locally, rather than moving issues up through a complex chain of command.
