

New Mexico Outdoors

Tour opportunities 2024

The best of New Mexico is the outdoors!!!

Fly fishing, river rafting, sightseeing, a hot air balloon ride through the canyon and abundantly endless hiking trails that break way to high point vistas and overlooks to watch sunsets from and open the adventurer's eyes up for a real perspective of why they call it the Land of Enchantment!!!

Concierge New Mexico will take all of your vacation plans and sort them out into full or half day tours, customized to give you lots of memorable fun and entertainment! After a long trip we recognize why you are coming and we know you deserve to just sit back and enjoy the exciting events

and activities we have planned for you and or your party!

We are looking forward to your excursion ! Your assigned

Chauffeur will pick you up from your respective accommodations and take you and your

party to your scheduled trip destinations to enjoy the day! Should you have additional tours scheduled we will be waiting for your return to continue your evening should you have reservations at some of the many premier awarded restaurants we also can plan into your itinerary!

Yes, We will manage your transportation and destination stops. But Concierge New Mexico can

also book your reservations for your activities, scheduled tours at the historic sites and we can take you to the remote private fly fishing spots! Our job is move your party to all the locations to make your vacation special which is the reason you are coming!

Lots of possibilities are achievable and realistic! We also recommend finishing your activity day relaxing in one of NM's premier outdoor mineral bath resorts before calling it a night.....Just another idea.
