

Transform your surfing on empty waves

WITH SURF COACH ANDRES RENNELLA

Mindsurfing all day, everyday? What about thinking surfing, eating surfing, drinking surfing and actually surfing all day everyday?

Imagine yourself in the middle of Baja shredding an empty secret spot and eating tacos overlooking the ocean as the sun sets... Pretty sweet huh!? Well, what's stopping you? Join me on a 4-day trip to one of the most low-key shreddable waves of Northern Baja (just imagine empty Sunset).

This is a surf clinic created for surfers who want to take their abilities to the next level. Away from the noise and the crowds you'll be surfing 2-3 times a day, learning new surf techniques and reviewing your waves. Tools that will allow you to grow your surfing in a short span of time.
