Exhibit of Livestock and Poultry in Minnesota
Entry forms to be mailed 10 days prior to Fair dates.

Summary of State Rule

Requirements for Livestock and Poultry
Originating from Minnesota:

GENERAL REQUIREMENTS:

The exhibition management may adopt more but not less restrictive health requirements than required by state rules.

The vet check will be done on Wednesday 2:00 PM to 7:00 PM

Livestock or poultry known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd or flock may not be entered in exhibition. *Warts and ringworms* are considered communicable diseases. Therefore, livestock affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is **not** acceptable.

All livestock will be inspected by the Official Veterinarian on the opening day of the exhibition and daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility, or removal from the exhibition premises, any livestock with symptoms of infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a show ring. This includes livestock with *warts or ringworms*.

All testing must be conducted prior to the exhibition and a record of the test results on a test chart or

Intrastate Health Certificate must accompany the tested animals. Livestock and poultry entered into a petting exhibits are not exempt from the exhibition rules if the animals are from more than one farm or there are other animals at the exhibit.

No equine will be allowed into the barns unless the owners present a negative Coggins paper and go through the vet check.

POULTRY (originating from Minnesota) -- except waterfowl and pigeons:

1. Identified by leg or wing band or some sort of mark on them for identification.
2. Negative pullorum-typhoid test within 90 days or record of origin from a flock tested negative within the last 12 months.
3. Turkeys must be tested at a laboratory for typhimurium and mycoplasmas or have a statement of origin if less than 6 months old.

SWINE (originating from Minnesota).

Negative official (SN, latex, EUSA) pseudorabies test within 30 days of the opening date of the exhibition. The differential pseudorabies tests are not approved for exhibition. All swine need an ID tag or ear notch with proof of registration.

Exceptions to testing requirement:

1. Swine from a Pseudorabies Qualified Negative Herd.
2. Swine from a Pseudorabies Controlled Vaccinated Herd.
3. Slaughter class swine (terminal show).

When pseudorabies testing is required, all swine (including barrows) from monitored herds must meet the testing requirements.

CATTLE, GOATS, SHEEP, HORSES (originating from Minnesota)

(NOTE: See general requirements above.)

Large Livestock judged on Thursday Morning at 9:00 AM

Dairy Goats, Meat Goats, Sheep, Cattle and Swine

CATTLE, GOATS, SHEEP, HORSES (not originating from Minnesota)

Animals must meet the Minnesota Importation requirements in addition to the requirements outlined in this summary. Health certificates must list the Minnesota Exhibition as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition, except swine pseudorabies tests, which must be done within 30 days. The differential pseudorabies tests are not approved for exhibition. All equine owners must present a negative Coggins paper. PLEASE HAVE MULTIPLE COPIES.

All goats and sheep, including market animals, regardless of age, must have a Scrapie ID tag or tattoo in place to be able to exhibit. Exhibitors must bring a copy of a letter from the MN Board of Animal Health to show proof of ID numbers.

No female goats or sheep within 30 days before or after birth are allowed for exhibit.

If you have any questions, contact the Minnesota Board of Animal Health at (651) 201-6809.

DOGS

Dogs over 6 months of age must be accompanied by a current Certificate of Rabies Vaccination issued by a Licensed Veterinarian.

NO PETS ALLOWED ON PROPERTY EXCEPT SERVICE ANIMAL

SPECIAL RULES

Cattle must be owned by the exhibitor from the time of making entries and exhibitor must be present in the ring with animal at showing.

Application for entries must be made upon printed blanks found staple in this book and when filled out must be mailed to the livestock superintendent 10 days prior to entry day.

Entry blanks must contain all information in accordance with instructions thereto, giving department, class and lot, name, and registry number of animal's date of birth, breeder's name and address, name and registry number of sire and dam, and the name and address of exhibitor. **Certificate of registry of proof of breeding must be furnished to the superintendent at time of entry.**

Reservations for entries are requested in advance but not mandatory. Space is on a first come basis unless you have a space reserved.

Registered animals must be shown only in the registered class.

Exhibitors are responsible for verifying when they need to be ready to show. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judging of cattle, sheep, and goats will be Thursday 9:00 AM
Rabbits and poultry will be judged on Saturday at 8:30 AM

Exhibitors must keep their barns and stalls open, and stock uncovered between 10:00 AM and 10:00 PM, each day of Fair until livestock are removed.

Exhibitors must keep the space in the rear of their stalls and the alleyways in the barns clear and clean, all litter must be thrown where directed by the superintendent. Failure to comply may mean a loss of premium.

Dairy bulls over one year of age must be secured by a ring in the nose in order to remain on the grounds.

Only registered sires will be allowed to compete for cash prizes in any class.

Registered animals under one year of age will not be required to show certificates of registry but the exhibitors of such animals will be required to have a certified statement that both sire and dam of such animals are properly registered pure breeds.

Each livestock exhibitor will be responsible for feeding, watering, and caring for their own livestock. Bring your own straw, grain, and hay. Tie chains are required.

No animal may be entered in more than one lot unless otherwise stated. Because of difficulties in arranging transportation, the Fair Association will not provide transportation for livestock.

Premiums awarded at the Judge's discretion.

Livestock & Poultry **are released from 5:00 PM to 6:00 PM** on the last day of the Fair. The State of Minnesota requires all Equine owners to present a negative Coggon's paper.

The Fair Board solicits your cooperation in exhibitors furnishing their own tools (hammers and staplers. etc.), to put up their booths.

The South St. Louis County Fair Association adheres to the principle that all persons shall have equal opportunity and access to facilities and programs in the Fair without regard to race, color, sex, or national origin.

Livestock Release Time - 5:00 PM to 6:00 PM Sunday

The vet check will be done on Wednesday 2:00 PM to 7:00 PM

All livestock will be inspected by the Official Veterinarian on the opening day of the exhibition and daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility, or removal from the exhibition premises, any livestock with symptoms of infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a show ring. This includes livestock with *warts or ringworm*.

All testing must be conducted prior to the exhibition and a record of the test results on a test chart or Intrastate Health Certificate must accompany the tested animals. Livestock and poultry entered in a petting exhibit are not exempt from the exhibition rules if the animals are from more than one farm or there are other animals at the exhibit.

Animals must be in show condition to be acceptable for entry. All exhibitors must abide by the special rules found earlier in this book. A veterinarian will be present.

Health Requirements for Public Exhibition

Superintendent: Shawn Arnold (218) 403-0145

Email: shawn.armold@gmail.com

Entry Wednesday of Fair week – 10:00 AM TO 7:00 PM

Poultry Release Time - 5:00 PM – 6:00 PM Sunday

No health certificate is required. Poultry will be inspected by qualified inspectors at the opening date of the exhibition and daily during the exhibition. The official inspector will order the immediate removal to a quarantine facility, or removal from the exhibition premises any poultry with symptoms of infectious or communicable disease.

Tests required:

For Chickens: Pullorum-Typhoid Disease - done at Fairgrounds unless accompanied by an official form to show a record of a negative test conducted within 90 days or by an official form to show they originated directly from parent stock tested and found negative within 12 months.

For Turkeys: Prior to Fair, adults (older than 6 months) must be tested for Typhimurium and Mycoplasmas by the Minnesota Board of Animal Health State Poultry Lab. Allow a minimum of 3 weeks for the lab to send results. The test must be conducted within 90 days of the exhibition. The exhibitor must provide proof of negative results in order to show at the Fair. Turkeys under 6 months require a certificate of origin from their hatchery.

No tests required on waterfowl and pigeons.

The exhibition management has the authority to adopt additional requirements. Check with exhibition secretary.

Cages will be granted on a first come - first serve basis unless reserved in advance with the barn superintendent.

1. All birds must be banded before entering with an easily readable band. If not banded
2. beforehand, the barn superintendent will band the bird at the barn door.
3. Rules of the American Poultry Association, as given in the last Standard of Perfection will govern this exhibit, except as display room and premium money will permit.
4. Birds must be *entered* by 7:00 PM on Wednesday of Fair week.
5. The Fair Association has the right to refuse an exhibit considered unworthy by the Poultry Standards of Perfection definition, "No bird showing obvious signs of distress, injury, or poor health shall be placed on exhibit or allowed to remain in public view in the showroom."
6. Birds showing unmistakable evidence of contagious disease will be removed from the show.
7. No bird will be placed in an exhibit cage before being checked by designated officials.
8. A Thirty bird maximum entry per exhibitor.
9. The exhibitor is responsible for registering their bird in the proper class. Barn superintendents will help if able.
10. Exhibited birds must be fully fledged to be judged.
11. Poultry will be released from 5:00 PM to 6:00 PM Sunday and **no later than 6:00 PM**, please.

LIVESTOCK HEALTH REQUIREMENTS FOR PUBLIC EXHIBITION

The vet check will be done on Wednesday 2 PM to 7PM

All livestock will be inspected by the Official Veterinarian on the opening day of the exhibition. All testing must be conducted prior to the exhibition and a record of the test results on a test chart or Intrastate Health Certificate must accompany the tested animals. Livestock and poultry entered in a petting exhibit are not exempt from the exhibition rules if the animals are from more than one farm or there is other animals at the exhibit. Animals must be in show condition to be acceptable for entry. All exhibitors must abide by the special rules found earlier in this book. A veterinarian will be present.

Horses will be inspected by the official veterinarian daily during the exhibition. The official veterinarian will order the immediate removal to a quarantine facility, or removal from the exhibition premises any horses with symptoms of infectious or communicable disease.

This includes horses with warts or ringworms. The exhibition management has the authority to adopt additional requirements. **No equine** will be allowed in the barns unless the owners present a negative Coggins paper. Please review additional information and rules at the end of the horse show bills.

Entry –Tuesday – 1:00 PM to 7:30 PM

Release Time 5:00 PM - 6:00 PM Sunday

Bolded Item \$7.00/\$5.00/\$4.00.

CLASS 1 – VEGETABLES

Exact count • clean exhibit • label exhibits

Snap Beans – Harvest before constrictions appear between seeds when seeds are about half grown.

The ends of pods should not be broken off in picking. Pods should be uniform. Pods may be wiped clean but not washed.

Beets, Carrots, Rutabagas – Root crops should be mature but not over-grown, pithy or course in texture. Tops trimmed off 1-1/2 inches above crown. Side roots trimmed off but not the top root. Roots carefully washed but not scrubbed.

Broccoli – Heads should be dark or purplish green and compact. Avoid yellow flowers in head. Stems cut above 5 inches from top of head.

Cabbage – Stems cut about ¼ inch below the head. Remove blemished or broken leaves but care should be taken not to peel the heads too much. A few outside wrapper leaves are desirable. Specimens may be washed.

Cauliflower – Heads should be white, compact, and free of small leaves and rice texture. Stems cut to leave 4 to 6 leaves. Outer leaves trimmed 1-2 inches above the white head. Use a soft bristle brush to remove dirt from heads.

Celery – Remove roots of stalk and trim butt to form a triangle or pyramid. Trim diseased and broken leaves on outside until color is uniform.

Sweet Corn – Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husks to remain.

Cucumbers – Pickling: select fruits 3-5 inches long. Specimens should be the same stage of maturity and uniform in size, shape, color, and stems on. Slicers: select fruits that are straight, dark green, and 6 to 10 inches long. They should be uniform in size, shape, and color.

Kohlrabi – Roots removed just below the ball. Remove all but the upper 4-6 leaves. Select specimens that are uniform, medium size and not hard or woody. Skin should be easily punctured by thumbnail.

They should be clean but not washed.

Leaf Lettuce – Display plants with roots. Wrap in moist paper and put in plastic bag or foil.

Onions – Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give a slick appearance. Only outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to a uniform length of ½ inch. Wipe or brush but do not wash.

Potatoes – Tubers should be uniform in size, shape, and color. Washing is permitted but do not blemish the skin by scrubbing. Avoid specimens with defects or disease.

Summer Squash – Select small to medium size fruits when the rind is soft and easily punctured with thumbnail. Fruits should be free of defects. Leave stems attached to the fruits.

Winter Squash and Pumpkins – Select mature specimens where the rind resists the pressure of the thumbnail. Fruits should be free of defects. Leave stems attached to the fruits.

Swiss Chard – Select plants that are fresh, crisp, and have bright green leaves. Trim off roots and trim butts to a pyramid shape. Trim off diseased and broken leaves on the outside until the color is uniform.

Tomatoes – Select fruits that are uniform in size, shape, and color. Remove stems. Fruits should be perfectly shaped and free of cracks or blemishes.

Rhubarb – Must have top cut to look like duck foot. Clean bottom. Do not cut off.

DIVISION “L” – FLOWERS

Superintendent: Cheryl Erickson (218) 340-3413

(Read Entry Rules for this Division)

Entry –Tuesday – 1:00 PM to 7:30 PM

Release Time 5:00 PM- 6:00 PM Sunday

Bolded Item \$7.00/\$5.00/\$4.00.

All entries in the flower division must be in place in the flower department by 7:30 PM on Entry Day. Any flowers or plants unfit to be shown may be excluded by the superintendent. The judges shall withhold any premium when the entries are unworthy of awards.

Exhibitors shall show the exact number of blooms, etc., as stated in the schedule. Any number more or less, will disqualify the entry. Remove all the extra buds.

An exhibitor may have only one entry in each lot number.

In case there is only one entry under any premium number, judges may award first, second, third, or no premium, according to the merit of exhibit.

After the exhibits are arranged, they shall be under the exclusive charge of the division clerk. No one should touch or remove them except when space makes it necessary. Flower exhibits to remain until 5:00

PM on the last day of the fair.

Each person who becomes an exhibitor thereby agrees to conform strictly to the rules and regulations of the department.

The division clerks reserve the right to provide containers whenever possible to maintain continuity in display of specimens.

All exhibits in the specimen class **must** have self-foliage and stem. Lack of either will disqualify.

Perennials and Annuals will be judged by the following score.

- **Distinction of species or variety** 20 points
- **Size, according to species or variety** 20 points
- **Form, color and abundance of bloom** 20 points.
- **Foliage and Stem** 20 points
- **Condition** 20 points
- **Total Available Points** 100 Points

When Entering

Choose flowers of uniform size and color. **It must always** include foliage.
 Choose longest and straightest stems possible. **Always** bring your entry in water.
 Be sure specimens are bug free, blemish free and clean. Remove imperfect leaves or petals.
 Enter the exact number of blossoms or stems required. An incorrect number will **Disqualify** the entry.
 A bud showing color is considered a blossom. When stalk or stems are used, any number of blossoms or buds are acceptable. Bring an extra in case of breakage during travel.
 Include name of variety whenever possible. When judged, an entry with a variety named will help the scoring.
 Choose specimens that will be at their best for judging the next day.
 Enter your exhibit in the correct category (i.e., blooming plants must be blooming at the time of judging). When in doubt, ask clerks.
 Be sure arrangements meet the specifications described in the schedule.
 Clean and freshen the exterior of outdoor planters before entering.
