WHO ARE WE?

Life of Christ Christian Academy was established in July 1997 by Cheryl Leufroy Frilot. It is an accredited academy that covers grades Pre-K through 12th grade. In the Greater New Orleans Area a growing number of parents desire something different in education. We offer a different environment at an affordable and reasonable rate.

LCCA is accredited by the State of Louisiana Department of Education. The curriculum is based on individual student's preferred learning style and multiple intelligence and meets all academic requirements of the state. Although we are not affiliated with a church, our students are taught basic Christian principles. We educate the mind, body and spirit, working to instill morals and values through both teaching and Christian example.

A safe environment where children can learn and grow.

"Every child can learn. It is our job as educators to teach children in the way that they learn best."

EVERY CHILD CAN LEARN

Life of Christ Christian Academy offers a uniquely innovative and positive approach to educating students, using a Learning Styles and Multiple Intelligence based curriculum in a home school environment. Learning Styles and Multiple Intelligences based curriculums teach each student in the way he/she learns best, rather than teaching all students the same way. Learning Styles and Multiple Intelligences has been used in schools throughout the United States. Research has proven that Learning Styles and Multiple Intelligences curriculums have positive effects on students performances, grades, standardized test scores and attitudes toward school.
