Hello Revere Band Families,

I am excited to write to you from the Revere band office with my newly appointed colleague and assistant band director, Mrs. Fassnacht! We are both very much looking forward to meeting everyone. Our last week has included finalizing details for band camp, guard uniforms, drill design for pregame and our production show. Hey, the new stand tunes are in! Your drum majors Noah and Paul spent two days at the Phantom Regiment Academy preparing for their leadership and conducting roles. Our Associate Director, Jacob Taylor is currently on tour with Music City Drum Corp and I have heard really good things about different sections already meeting about preparing music or routines for the season. Great things are happening and so much more to share as we look forward to the beginning of camp on July 31st! I hope the following information will help you navigate August and the fall marching band season.

- Mr. Chiera
