## WEST MICHIGAN RC EXPO

Another non-stop flying event takes over Baldwin in July! Marvel at over 100 jets, prop planes and helicopters as they fly through the sky. It's a fun family event. Spectators are welcome. Or, try the flight simulator, then try your hand at flying our trainer planes! We'll have you flying before you leave! The car track will be open for the Kids, Moms & Dads. Come try your hand at RC Car racing with our experienced staff and our cars. The Flight Simulator will be open to all ages. Onsite food & beverage service.

**SEPTEMBER 8-10**

## WEST MICHIGAN FUN-FLY

This is a fun family event where many aspects of remote control modeling are on display for three days. Come see everything from the RC Jets down to RC Cars.
