Kiva Chair

The design technique of dual color stitching creates a unique visual effect and texture. The texture of the white wax wood chair legs is beautiful, and the color is elegant, which can add a natural beauty to the furniture. The overall fashion is personalized, with a wide range of styles used, allowing customers to pay more attention to personal preferences and style when making choices.

5806802-2A3
570*485*785mm

Kiva Chair

The spacious seats of the Laken Chair, with a slight tilt angle, provide a comfortable seating experience. The sturdy wooden backrest surrounds the seat, and the exquisite geometric stitching pattern on the seat edge brings a rich sense of three dimensionality. The three legged structure adds a sense of solemnity to the chair. The perfect combination of modern design and traditional gentlemanly etiquette brings a retro and modern atmosphere to the space with the Lake Chair
