

Connex Personnel is currently recruiting an Advisor, Finance & Planning for a local oil and gas client.

We are seeking a talented Finance team member who can translate complex information into validated insights and solutions. You will have the opportunity to influence and facilitate change within the Finance organization.

Minimum Requirements:

- ✓ A Bachelor's degree in Commerce, Accounting or Finance
- ✓ 3-5 years of relevant experience
- ✓ Advanced proficiency in SAP and Microsoft tools
- ✓ Strong interpersonal skills in business partnering
- ✓ Excellent analytical and problem-solving skills with strong attention to detail

Asset:

- ✓ Recognized accounting designation (CA, CPA, CMA, CGA) or in progress

Responsibilities:

- ✓ Prepare monthly accruals and performance management reports
- ✓ Coordinate and deliver monthly forecasts, budget and business planning deliverables
- ✓ Perform quantitative and qualitative analysis and clearly communicate findings
- ✓ Drive continuous improvements in performance reporting and planning processes.
- ✓ Gather and interpret data from different sources, identify and analyze operational trends, and develop strategies to address issues or concerns.

Duration:

- ✓ 1 year assignment
- ✓ Based in office in St. John's, NL

Please submit your resume to hr@connexpersonnel.com
