

Connex Personnel is currently recruiting for the position of Plant Manager on a 2-year contract for a Labrador Hydro Generation facility.

Job Function

- Leads the operation and maintenance of the Generating facility, the water control structure, reservoir monitoring systems, civil installations including dams, and supports the operation and maintenance of the related transmission infrastructure.
- Ensures that equipment is maintained and operated in a responsible and efficient manner.
- Monitors effectiveness of the maintenance program and equipment performance through approved maintenance philosophies.
- Investigates equipment problems and ensures that corrective action is implemented.
- Ensures the annual maintenance plan is developed and executed including all Capital and Operating Project activities.
- Coordinates engineering activities with the Engineering Department. Responsible to the divisional Director and/or the Vice President for budgeting activities related to the generating facility.

Job Scope

- Ensures equipment is operated effectively and efficiently by trending equipment performance.
- Ensures preventative and corrective maintenance tactics are executed for all assigned assets.
- Analyses equipment failures to determine the cause and implement corrective action.
- Assists the appropriate Engineering Manager and the Long-Term Asset Planning Engineer in the development and maintenance of a comprehensive long-term maintenance strategy/plan.
- Initiates Capital and Operating budgets for responsible business units.
- Reviews the activities of the Operations Department to ensure the efficient and economic operation of the power facility.
- Coordinates maintenance activities with NLSO for various systems operation.
- Facilitates the implementation of the Corporate Safety Program at the facility.
- Supports the Corporate environmental policy and guiding principles and corporate objectives, targets and programs.
- Administers the Collective Agreement as it pertains to the Generation Department.
- Requirement to be on-call after-hours as necessary
- Performs other related duties as required or assigned from time to time.

**Possibility of renewal for a third year
