

Connex Personnel is seeking a Construction Management Representative (CMR) to support the execution of a project in the Sunnyside (SSD), Come by Chance (CBC), Western Avalon (WAV) and Hardwoods (HWD) Terminal Station Control Buildings.

CMR support is required for monitoring of Protection and Control upgrades. Contractor work includes but is not limited to:

Come by Chance Terminal Station (CBC) Transformer T1 Protective Relays – **31-Aug-2026 – 18-Sep-2026**

Come by Chance Terminal Station (CBC) Transformer T2 Protective Relays – **28-Sep-2026 – 16-Oct-2026**

Sunnyside Terminal Station (SSD) transmission line TL219 Protective Relays – **TBD**

Sunnyside Terminal Station (SSD) transmission line 100L Protective Relays – **TBD**

Western Avalon (WAV) Transformer T3 Protective Relays – **19-Oct-2026 – 6-Nov-2026**

Western Avalon (WAV) Upgrade Data Alarms – **TBD**

Hardwoods (HWD) Upgrade Data Alarms - **TBD**

Requirements:

The CMR reports directly to the Contract Manager and is involved with monitoring the daily operation of contracted work and helps NL Hydro meet its legislated responsibilities as “Principal Contractor. This includes the daily monitoring of job progress and documenting the activities of contractors when performing work on Hydro sites. The CMR performs monitoring and reporting activities to determine if work is being executed in compliance with applicable legislation and contract specifications, particularly as it pertains to the technical, safety, and environmental requirements. When issues are identified, the CMR immediately reports them to the Contract Manager.

As a CMR, the role involves conducting safety orientations, participating in tailboards, preparing daily reports, and ensuring that contractor is adhering to the contract documents. Also included is oversight of NL Hydro’s safety plans, environmental plans, and oversight of contractor’s quality plan.

Candidates shall have good communications skills and be assertive with contractor as required.

Candidates shall discuss site issues with NL Hydro engineering or contract manager as required.

Candidates shall have experience with Electrical, Mechanical, Civil and Structural construction.

Familiarity with NL Hydro processes and procedures is an asset.

Special Conditions: A valid driver’s license will be required. ***CMR must be an approved permit holder***, a background in Protection and Controls work is preferred.

Locations: SSD, CBC, WAV and HWD

Anticipated Start Date: 24-Aug-2026

Anticipated End Date: 20-Nov-2026

Estimated Effort Time: 13 weeks – 10 hours a day, 6 days a week

Please submit your resume to hr@connexpersonnel.com
