## CHRIST CARES FOR YOU MINISTRIES, INC.

- Spoke to a Representative in Washington, D.C. who explained their efforts to respond to the extreme problem of homelessness nationwide, and discussed the needs here in Phoenix, AZ.
- Donated raised funds to the Katie Hobbs, Governor of Arizona, campaign- for “water for the homeless” in the AZ heat -\$400.00 and \$300.00 to UMOM- (1964: members of the Desert Southwest Conference of the United Methodist Church (back then called the Arizona Methodist Church Extension Society) created what would come to be known as United Methodist Outreach Ministries or UMOM) for the woman and children at their location in Phoenix, AZ helping to end homelessness in the streets of Phoenix.
- Specifically received a total of in-kind donations, monetary donations for Art Supplies and including the GO FUND ME campaign of \$3,201.00 all used for the benefit of the homeless and the underprivileged here in Phoenix, AZ.
- Our year-to-date grand total of ALL donations received totals: \$5,189.38 ALL of which has been used for the betterment of the Phoenix, AZ communities to help reduce homelessness, aide organizations who are working to help cloth and feed the homeless providing free counseling and art workshops, and providing training to volunteers.
- Will facilitate a fundraiser to inform the public of the work Christ Cares for You Ministries, Inc. does as well as the work OVERFLO Missions does. This will be a joint effort to raise funds to support both efforts to deal with the issue of homelessness in the Phoenix and surrounding areas.
- A gentleman donor has dedicated a portion of his funds to purchase land in Mesa, Arizona on which he will build a home/apartment/structure which will house the homeless in that area. He will facilitate programs to ensure the mental health and well- being of the individuals who will reside there.

Our goals within the next few months of 2023 will be to meet and partner with various Nonprofits who are working with Transitional Housing for the homeless in the Phoenix and surrounding areas. We plan to help fund their projects, to provide free counseling, workshops, and art classes, and to participate in the outreaches and fundraising activities which they will be involved with.

We also plan to begin a focused search for grants to help us gain the funding for large scale projects such as: Providing free counseling for 100 social service agencies, nonprofit agencies, rehab centers, churches, and hospitals; and providing free art workshops, and Anger and Healthy Communication workshops as well.

Our vision and goal for the remaining months of 2023 is also to raise \$65,000.00 which will be allocated for these projects and to purchase land to build a structure which will house the homeless in the Phoenix area, and/or the Mesa area. Part of this funding will be used to support other specific Nonprofits who already have transitional housing to broaden and continue their work. We already have one person working on this and a new Nonprofit was formed from five women coming together to make this happen!!!!

I want to thank you again for your continued support!!! We are so honored that you care for the work we are doing here, and we could not do any of it without your help and support. Your monetary support is crucial for these projects to come and be successful. Your emotional support and prayers are equally as important as there is much to do to help create a better world. Thank you for making ALL of the above successes possible!!!

Have a wonderful, safe, and HAPPY HOLIDAY SEASON.
