Greetings from the East

Greetings Brethren,

As always, I hope that all of you are well. As a reminder, masks must still be worn in the Lodge unless you are 6 feet or more from anyone.

My Brothers, as you will notice from the insert, a proposal to raise the fees for the Degrees to become a Mason has been made. Our intention is to be able to provide the ritual books and a bible to each new Master Mason. A second proposal has been made to reduce the number of meetings from two to one per month. As mentioned in the insert, both proposals will be voted on during the June 24th Stated Communication.

I also want to mention that there are several community projects in the works and more information will be announced as they progress.

Fraternally,
Steven Reed, WM

Greetings from the West

Greetings Brethren,

Only one more month before we go dark. Please take the time to come out and get to know our new Brothers and eat a great meal on the 4th Thursday. Proceeds from these meals go to charity. The proceeds from meals last year will go to the Lodge Scholarship Fund and to the Cops and Kids Community Center.

We hope to donate that check to them very soon. The more attendance we can get at these meals, the more good things we can afford to do to continue to promote our Great Fraternity in our community.

Much Love,
Barry Peebles, SW

Greetings from the South

Brethren,

I hope this message finds you and your families well. As of this writing we will have initiated 3 new brothers this year and our officers have done a great job in their degree work. I would like to thank our brother SS Tim, for taking charge and seeing to it that all our officers were furnished new lodge shirts. I'm kind of sorry that the CDC has revised their restrictions on mask wearing because now I will have to see all your ugly faces. Don't forget all dinners will still be served on the 2nd meeting of the month (after May)

God bless and take care.

Fraternally,
Wayne Forman, JW
