Greetings from the East

Greetings Brethren,

We balloted on several new members and are preparing for their degrees. Two gentlemen will begin their journey by receiving the EA Degree. One Fellowcraft was accepted for affiliation and will be raised to the Sublime Degree of a Master Mason on May 21 at 10am. We also had two brothers join our lodge, one by reinstatement and another as a dual member. We are excited to see all the action and are looking forward to continuing to grow.

Brothers, I have an important notice. We will be voting at the first stated meeting in May to change the by-laws of the Lodge. It is proposed that we remove September as an optional month for going dark and just keep July and August. We will also be voting to raise fees for receiving the Three Degrees. We look forward to seeing you all for that.

I hope everyone had a safe and Happy Easter!

Fraternally,
Barry Peebles, WM

Greetings from the West

Greetings Brethren,

I hope that this message finds all of you well. As of this writing, I would like to wish all of my brothers a very happy Easter and Passover. I would also like to thank everyone who helped out at our lodge for the termite tenting that was performed. I attended my First Friday for the first time this month and was astonished by how well it went. How our brothers all worked together and how brotherly love prevailed. Our work will be continuing with EA degrees in the near future and a Master Mason degree this coming May 21st. Also again for those brothers who haven't attended our meetings, we need to see your faces again because it brightens our lodge room.

Fraternally,
Wayne Forman - SW

Greetings from the South

Greetings Brethren,

During this month of April, I again look forward to a growing participation on first Friday. It seems to be a success for the Brothers and the general public. We're being seen and I hope to see more Brothers come and just hang out.

The Lodge is slowly but surely getting a good cleaning; a big thank you to all that have been helping with this project. It is a slow progression, but it is progress nonetheless. I welcome any input from the Craft.

As far as the upcoming events such as degrees, the dinners will continue to be as nice as possible. We all like to eat and have fellowship together as a family. With a cleaned kitchen, a re-stocked "pantry" area and a coffee station ready to go they should all be a success. As we all know, 100% of the money raised goes into the charity fund.

Fraternally,
Cy M. Havron - JW
