## **Greetings from the East**

Brethren, I hope that you and your families are staying safe and healthy. Myself and my immediate family all did battle with Covid-19 back in June and I am happy to report that we are all recovered and doing well. While we are all probably still adjusting to our "new normal", I am very excited to report that we are now getting back on track with Masonic business in the month of September. I would like everyone to mark their calendars for Saturday, September 12 from 10am to 2pm. We are going to be raising several Brothers to the sublime degree of Master Mason in what will be an awesome welcome back to Lodge. You don't want to miss this. I look forward to seeing all of you there.

## **Greetings from the West**

Hello to all of my dear Brothers. I hope that everyone is doing well. After a very long and hectic first part of the year, it is my hope that we will return to some semblance of normal. I look forward to our return from being dark for our first stated communication. We will be hearing four Brothers return their catechisms in preparation for the Master Mason Degrees on September 12. This is a Saturday and there will be a light lunch. I also want to remind everyone who will be attending that masks will be required at all times when within 6 feet of each other. This is an unfortunate necessity. Over the next few months, we will be reaching out to the Tarpon Brothers to confirm mailing addresses and/or email addresses. We would also like to confirm your preference about receiving the Trestle Board. Again, I look forward to seeing everyone as we return from being dark. I hope you all stay well.

**Steven Reed, SW**

## **Greetings from the South**

Hello brethren, after a long and arduous journey, we are ready to resume our regular meetings. Along with that, we have two degrees coming up. One will be a master Mason degree with four new brothers being raised. These brothers have worked diligently to get to where they are through this crisis and I hope that we will all show them our support. In addition to that we will be having another brother past to the degree of Fellowcraft. Further, all of these catechisms for their degrees along with the catechism for a masturbation will be given on our first meeting after returning from being dark on September 10th. This should be quite a night. We hope that all brothers will be there to support these new brothers. Please come out and show your brotherly love and support for these guys as they have been working very hard through this tough time. There should be many more and exciting things to come before the end of the year, and we should all get on board.

**Barry Peebles, JW**
